- **Responsive Design:** Mobile-first,cross-browser compatibility.

EDUCATION

BBA – Computer Application (BBA-CA)

Savitribai Phule Pune University

CGPA: 7.99

— 2021 – 2024

PROJECTS

Satvik Clothing – Full Stack E-Commerce Web Application (MERN Stack) | *Live Link* **2025**

- Tech: React.js, Node.js, Express.js, MongoDB, JWT, Cloudinary, Context API, Tailwind CSS
- Developed a full-stack e-commerce platform with product browsing, cart system and secure user account management.
- Implemented user authentication authorization using JWT and password hashing.
- Built an Admin Dashboard to add/update/delete products and track orders in real-time.
- Used Context API for global state, Cloudinary for image uploads, and REST APIs (Express/MongoDB) for data operations.

Car Rent Project – Responsive Car Rental Website (Frontend + JSON Server) | *Live Link* | **2025**

- Tech: React.js, HTML, CSS, JavaScript, JSON Server, Bootstrap
- Built a responsive car rental platform featuring dynamic car listings and booking capabilities.
- Utilized JSON Server to simulate backend API functionality.
- Implemented search, filtering and booking features to enhance user experience.

Expo React Project – React Props Based Product Showcase (Frontend) | *Live Link* **2025**

- Tech: React.js, JavaScript, HTML, CSS, Bootstrap
- Implemented reusable UI components to maintain clean and scalable code.
- Designed responsive layout ensuring smooth display on different screen sizes.

CERTIFICATES

MERN Stack Developer Certification — SpeedUp Infotech, Pune — 2025

• ADDITIONAL INFORMATION

- Open to relocation and remote work opportunities
- Committed to continuous learning and upgrading skills in full-stack development.
